

SMART Companies Face-To-Face Tour

More than a tour... More than a seminar...
More than networking...

...IT'S A FACE-TO-FACE!

JP HORIZONS FACE-TO-FACE events have been turning points for dozens of companies. Imagine your role as student and teacher, consultant and client. The Face-To-Face experience will allow you to take away many great new ideas, leave behind a few of your own and provide you with action plans for implementation.

The one-day agenda provides plenty of time for an in-depth tour along with discussions on better practices and how to implement the ideas that will work for your company.

JUNE 16, BOSTON, MA

D. Foley Landscape, Inc., specializes in servicing the commercial, industrial, educational, sports turf, homeowner association/apartment and lodging markets and has earned the business of some of the most recognized clients and properties in New England. For over twenty years, they have been locally and nationally recognized, allowing them to benchmark and share best practices with some of the best companies around North America.

JULY 9, COLORADO SPRINGS, CO

Timberline Landscaping is a full-service landscaping company that has served the Colorado Springs area for over 25 years. Their commitment to quality production and customer service has helped them become a group of energized individuals all looking for ways to work more efficiently in order to provide an even better value to their clients. Tim Emick, CEO and founder, has been recognized through many industry awards and was named as the Landscape Contractor of the Year for Colorado in 2005.

AUGUST 11, CANTON, OH

Enviroscapes started as a way for owner Todd Pugh to put himself through college. Since his graduation from The Ohio State University in 1996, the company has grown on the average of at least 20% per year to over \$8M in sales in 2008. Enviroscapes takes pride in its Management structure, Facility, Uniformed Staff, Training Program focused on Working Smarter, and its ability to adapt to the marketplace. Enviroscapes has won multiple national and state awards.

SEPTEMBER 15, CHICAGO, IL

Sebert Landscaping has been in business for over 25 years specializing in commercial lawn maintenance and commercial landscape installation. They are currently one of the top five commercial landscape contractors in the Chicago land area and have five branches strategically located in and around Chicago. With a vision to be both "green" and "lean" as a company, they are taking a very proactive approach on providing value to customers that can also help them be more "green" on their properties. They currently have plans to break ground on a new Green LEED certified building later this spring.
